

R70 PORTABLE SCREENER

The McCloskey® R70 delivers the versatile, heavy-duty configuration that is expected of the R-Series screeners, but can be transported easily and economically.

FEATURES

- ✓ 2.8m x 1.220m (9' x 4') heavy duty high energy 2 bearing 2 deck screenbox
- ✓ 97kW (130Hp) diesel engine
- ✓ Integrated hydraulic folding stockpiling conveyors
- ✓ Service standing room inside the powerpack
- ✓ Fast on-site setup time – 10 minutes
- ✓ Track mobile

The R70 is a perfect fit for contractors that require the ability to tackle large numbers of smaller heavy-duty construction, demolition, and remediation projects.

The R70 is built with the durability and screening performance that McCloskey International has built its reputation on, using high-quality components and the innovative McCloskey High Energy Screenbox.
